

# Leave & Return Permission Form

STUDENT NAME \_\_\_\_\_

DATE \_\_\_\_\_

In the past, students with gaps between classes have been required to stay at school and use the gap time as a study hall. Because of Covid-19 restrictions and in the effort to keep the number of students on campus to a minimum, we have decided to temporarily modify our policy\* and ask that you grant your child permission to leave campus if their schedule complies with the following guidelines:

1. All Juniors and Seniors with more than a 45-minute gap between classes may apply for the privilege of leaving the UCHS campus during the gap. Gaps of 45 minutes or less do not qualify for leaving campus.
2. Also, during the time when LRU classes are not in session and UCHS classes are in session, Junior and Seniors taking LRU classes may arrive at UCHS in time for their high school classes and then leave when they are done, provided they adhere to the requirements below.

**Requirements:** Students must arrive to class on time and must be able to be on campus for Chapel and other required events. Late arrival for a class, after being off campus, may result in revocation of this privilege. Students must have their temperature taken at North Campus before their first UCHS class or activity. Students must sign out every time they leave and sign back in upon their return to the UCHS campus.

The above privileges may be denied based on improper behavior and/or violation of school discipline policy.

\*Modifications to the Leave and Return policy are subject to change if the school administration deems it necessary.

**TO BE COMPLETED BY PARENT**

I give permission for my child \_\_\_\_\_ to leave the UCHS campus during their schedule gaps while LRU classes are not in session. I acknowledge that this privilege can be denied by UCHS in the case of academic and/or discipline violations. In addition, we will accept full responsibility for the behavior and actions of our child while away from the UCHS campus.
